SME Responsibilities - POI

Review

SMEs become the link between NGB and all Proponents

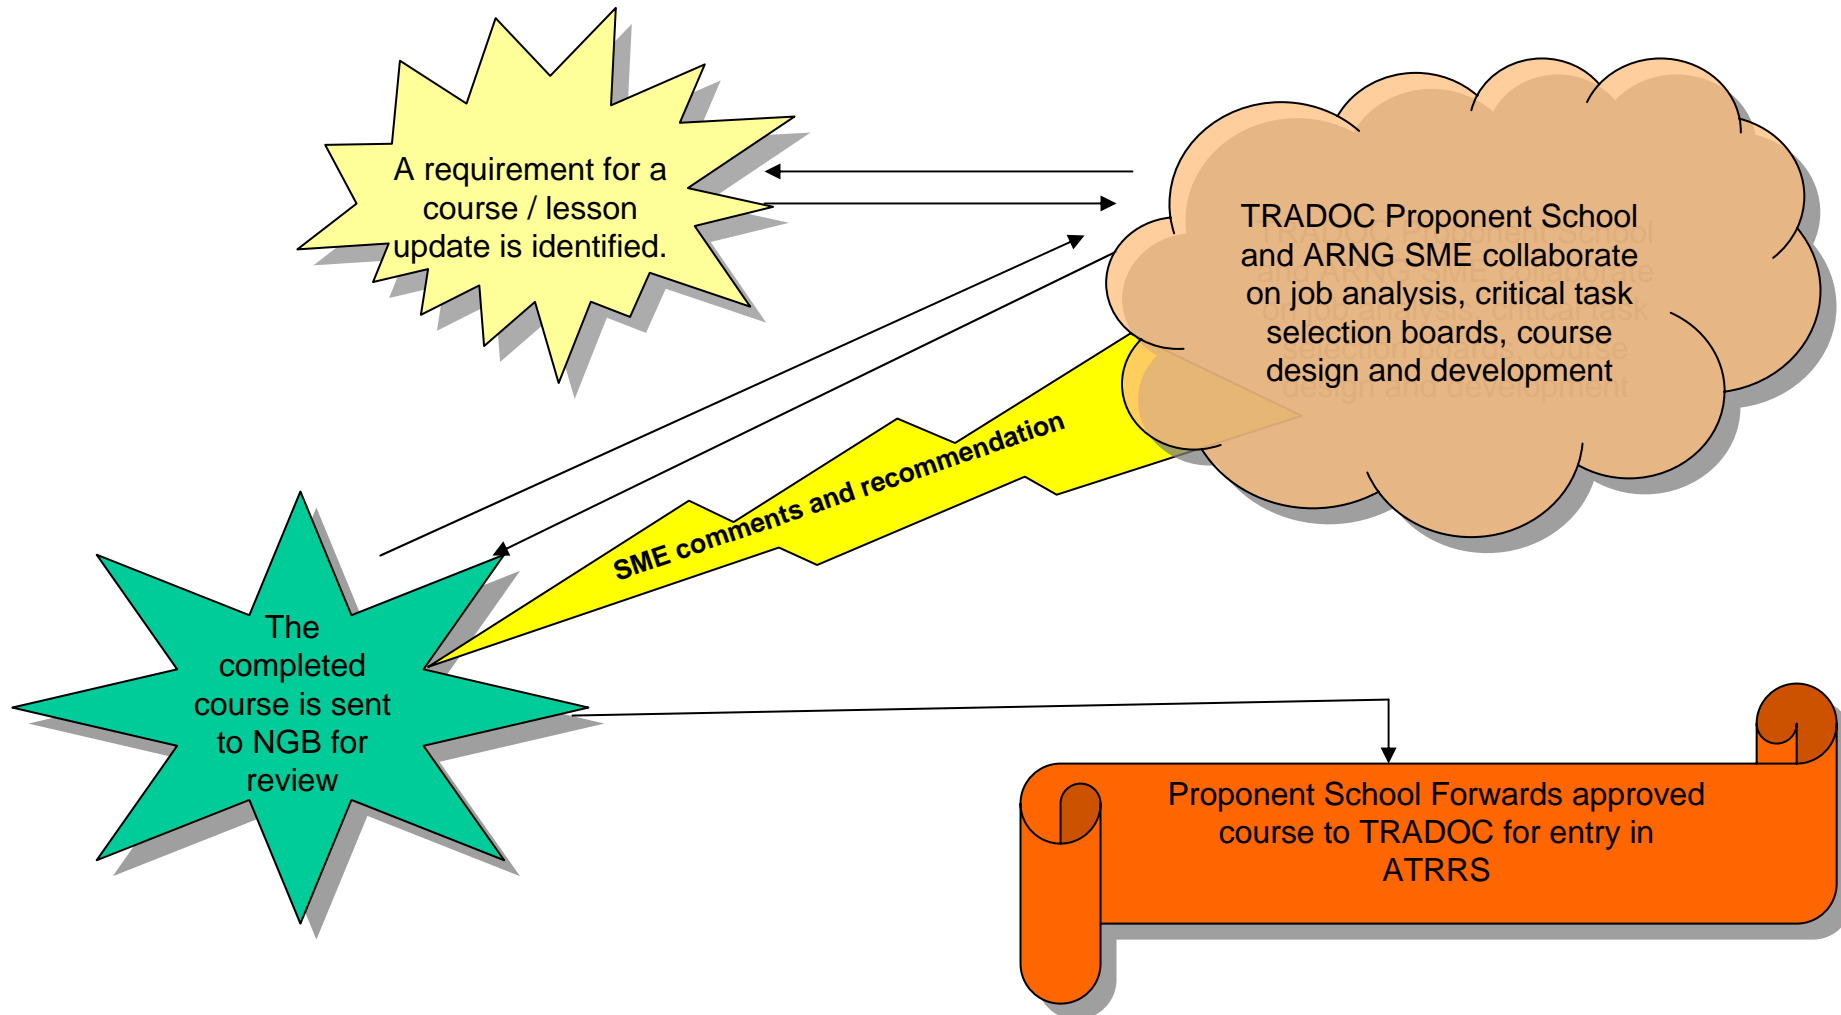

QA Cell coordinates ARNG input and assists the Proponent during course material development (from job analysis through fielding of updates)

QA Cell coordinates/assists the review of current and new POI with Proponent

- Input from all Battalions is funneled through Bde/SME to ensure that only one recommendation is provided
- Submits any/all recommendations to NGB-ART for final review
- Coordinate the scheduling of Battalion accreditations

POI FLOW

SME Responsibilities – **Class Scheduling**

Coordinates scheduling of classes across Battalion(s) to ensure multiple starts throughout the year

- Support ARPRINT requirements

Coordinates any MOB pop-up training requirements with Battalion(s)

- Identify “open” training cycle and delegate mission to chosen Bn

Coordinates any DEMOB training requirements with Battalion(s)

- NCOES requirements prior to REFRAD

- Modularity Reclass requirements prior to and following REFRAD (if not already identified in ATRRS)

BLUF, the SME is NGB’s direct conduit for all class scheduling

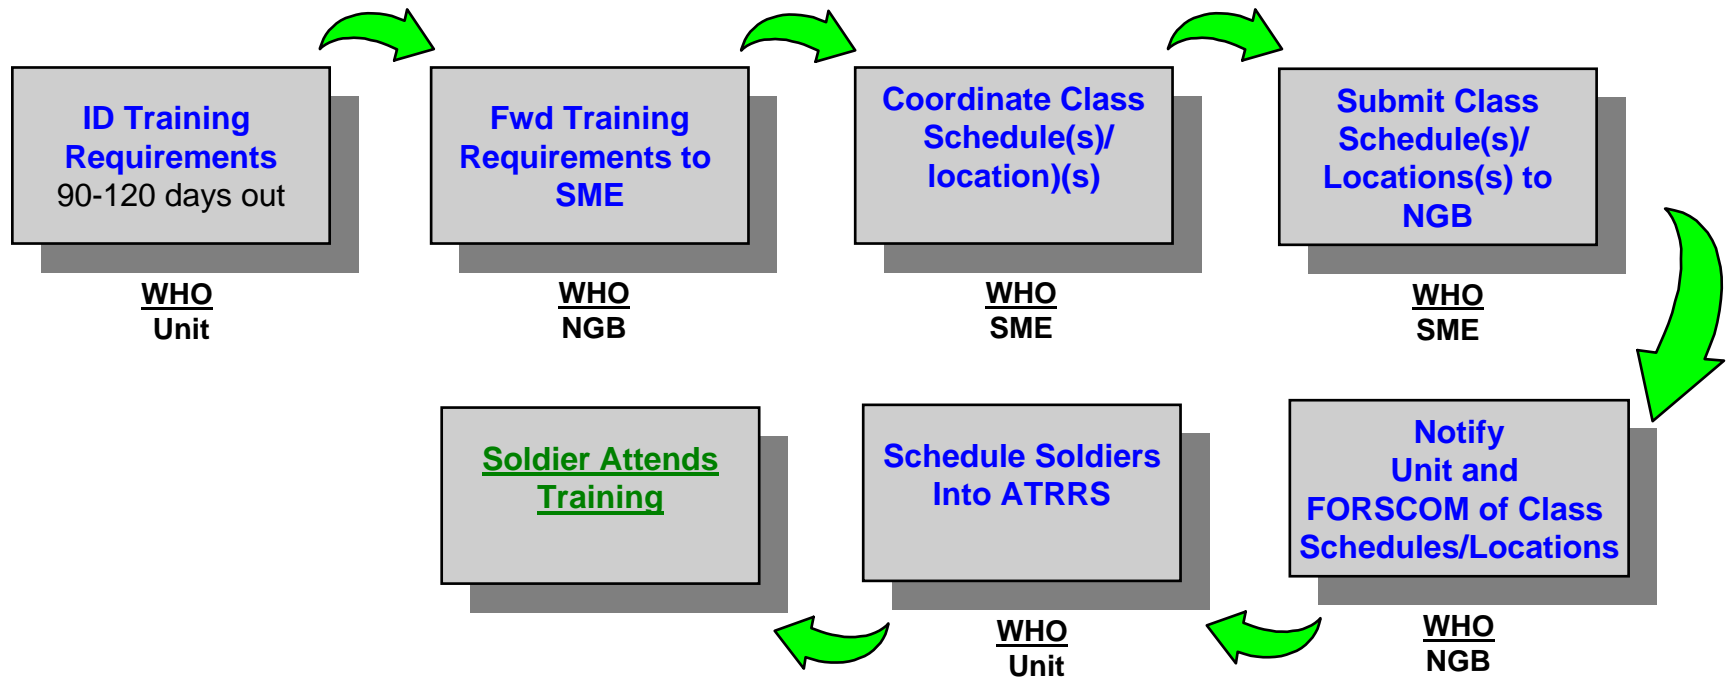

MOB/DE-MOB Course Request Process

***SME will be notified of Reclass/NCOES training requirements needed for deployment / re-deployment**

-SME will coordinate class availability

-SME will coordinate with requesting Unit to ensure Soldiers are loaded in ATRRS

Additional SME Responsibilities

Host CMF NTCC twice annually and Provide recommendations for near term actions (TRAP actions)

Provide recommendations for long term plans (TACITS) during first NTCC

Change course minimum in ATRRS (ARNG schools only) with proponent concurrence

Assists Battalions in preparing for accreditation

- Assist Battalions in self assessment / forward to Proponent QAO
- Proponent QAO will maintain responsibility for BN accreditation
- Evaluate Company Sites and include results in Battalion Self Assessment report

Reinstate classes that have non-conducted due to lack of fill once minimum requirement is validated

Identification and coordination of BCT In Unit Training (IUT) requirements / execution

ARNG TASS Schools

- Priorities
 - Execute ARPRINT
 - 0 Non-conducts
 - Accredited in new training lanes
 - Manage increased training loads
 - GWOT
 - Modular Conversion
- Course Type priorities
 - DMOSQ/RECLASS
 - NCOES/OES
 - ASI
 - Functional
